# FOREWORD

In this year's KALEIDOSCOPE, we have tried to capture some of the most interesting and inspiring stages of our school life.

Each of the phases is one ray of light from our central source, Hopewell High School.

As the name KALEIDOSCOPE signifies, our academic life can be viewed in many different aspects, each one equally memorable in the years to come.

May each one of you seek his own special meaning and memories in these pages even as we have found joy and a sense of fulfillment in our work as

# DEDICATION

WILLIAM L. MERNER

*All through our days and years in Hopewell High,  
In every aspect of our lives at school,  
He taught us how to win and lose. The rules,  
Especially, he taught without a sigh;  
Bestowed on us the will to win—at least to try.*

Therefore, to honor one whom we greatly appreciate, we the Senior Class of  
1959 dedicate our KALEIDOSCOPE to WILLIAM L. MERNER.

#### ENGLISH DEPARTMENT

"Now class, Christopher Wren was . . ." Through Miss Burch's extensive knowledge of English history, Seniors now have a greater appreciation of English literature.

#### FOREIGN LANGUAGE DEPARTMENT

"Parlez-vous francis?" Miss Chambliss has often been exasperated by such mispronunciation.

#### SOCIAL STUDIES DEPARTMENT

"We hold these truths to be self-evident . . ." This is a requirement in all of Mrs. Leadbetter's United States History classes.

#### COMMERCIAL DEPARTMENT

"juj space frf space, kik space ded space, etc. Mrs. George, don't you ever get tired of calling these to us?"

#### DISTRIBUTIVE EDUCATION DEPARTMENT

"Is that all there is to it, Mr. Leckie?" Things aren't as simple as they sound, are they?!

#### DIVERSIFIED OCCUPATIONS DEPARTMENT

Mr. Utleve certainly makes himself comfortable as he teaches. But he gets his point across.

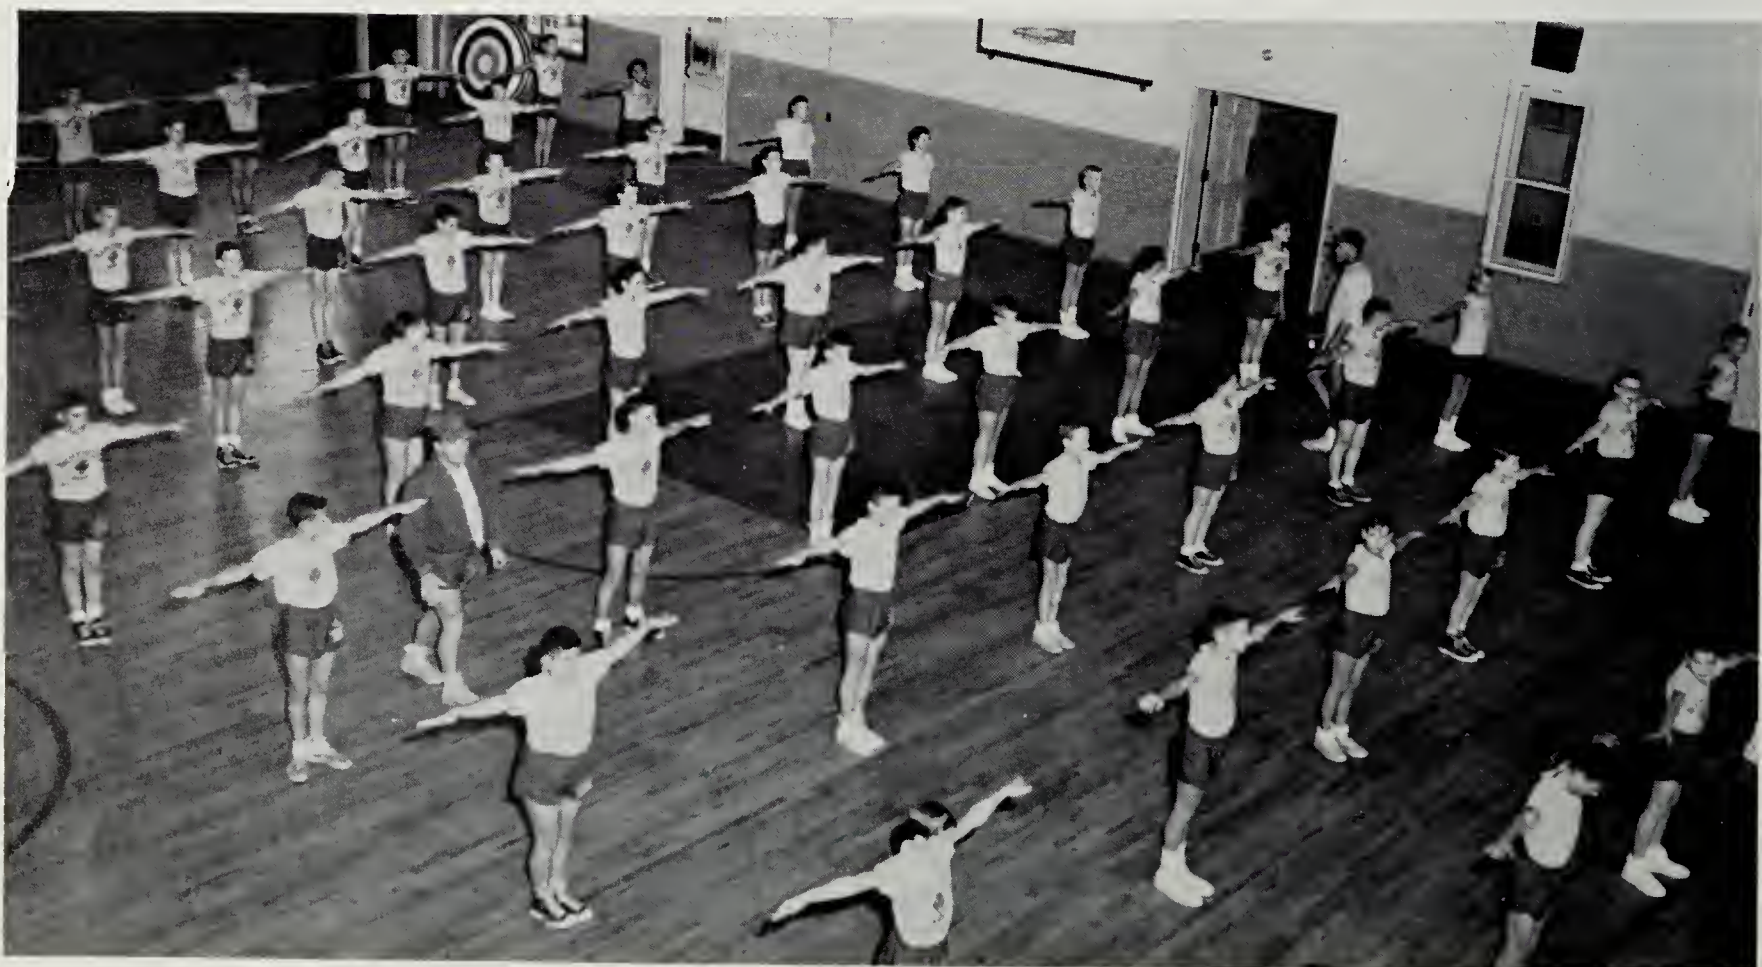

"Come, girls, First Aid can't be that hard." "Well, Miss Webb, could we get out our bandages and try again?"

#### PHYSICAL EDUCATION DEPARTMENT

They must have measured the rows to get them so straight! Coach Glass and Coach Deans seem to be checking on them now.

#### ART DEPARTMENT

There is always one who doesn't seem interested until the photographer appears. Mrs. Hecht points out that even the model comes to attention.

#### INDUSTRIAL ARTS DEPARTMENT

Believe it or not, these boys in Industrial Arts Class are really industrious! Mr. Orr views many different projects in this class.

#### HOME ECONOMICS DEPARTMENT

No wonder all of the girls at H.H.S. are so well dressed! Mrs. Rogers also teaches them the secrets of cooking, boys.

#### SCIENCE DEPARTMENT

This certainly doesn't look like a Biology class. Mrs. Kitchen, where are the microscopes and frogs we've heard about?

A leaping Richard Nesbitt slants off tackle as he clears a downed Devil to rip through the Manchester defense. The Devils were outscored in this offensive battle 28-32.

#### FOOTBALL RESUME

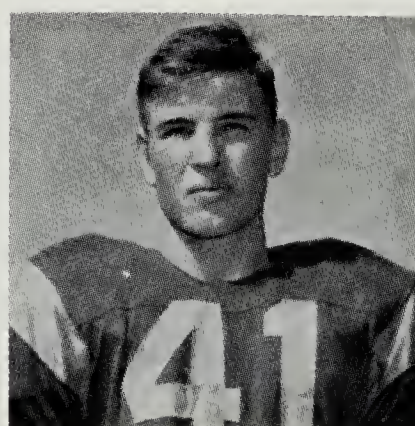

The 1958 football team was composed of six lettermen as a nucleus around which Coach Merner and his staff built a traditional Blue Devil squad. Although, the four won and six lost record may not seem outstanding, it is interesting to note that five of the six losses could have been victories with a few breaks. It would not be fair to eulogise any member of the fine squad in any yearbook writeup since all performed as a team unit of which the school and community can well be proud. The Kaleidoscope staff commends the coaches for one of the finest jobs that any school has had. Under the tutelage of Coach Merner and his staff, the team upheld all standards of Blue Devil tradition and can be highly commended for their efforts.

Congratulations, Blue Devils and Coach Bill Pegram.

The players are arranged in three rows: four standing in the back row on a bench, seven in the middle row, and four kneeling in the front row. Most players wear dark jerseys with "H" on the sleeves and light-colored skirts. Two players in the front row wear dark skirts. The coach, an older woman in a light-colored blouse and dark skirt, stands on the far right. They are outdoors on a grassy field with trees in the background.

## FALL SEMESTER S.C.A.

The Student Council Association is the core of the student government at Hopewell High School. Under the able sponsorship of Miss Lillian Burch, the Student Council acts for the school on the students' behalf. On each Monday, all the homeroom representatives assemble with the S.C.A. officers and Miss Burch to act on the school business of the week. It is through this very council that democratic progress is made. This year, the Student Council has provided for an underprivileged war orphan in Greece, a shining example of student government in action. The Student Council at Hopewell High School has been very active and cooperative as a go-between between the faculty and the student body.

Under the auspices of the Junior Class of 1958, the annual Beauty Contest of junior and senior girls was planned around the theme "April Showers." Each girl was sponsored by a local merchant in cooperation with the Retail Merchants Association. ANITA HOLT was chosen last year by a panel of judges to reign as MISS HOPEWELL HIGH SCHOOL.

The annual nativity scene is a much looked-forward-to event at H.H.S. In this expression of Christ's birth, we find the true meaning of Christmas. Food baskets for the poor and needy are brought to the stage by all homeroom representatives later to be distributed throughout the city by the Welfare Department.

### ARCHITECT'S CONCEPTION FOR NEW ADDITION TO H.H.S.

As the sun sets on our final year at H.H.S., the "Kaleidoscopic" views lend color and beauty to our past and so, we, the Senior Class of 1959, capture for the last time, an all-inclusive vision of four wonderful years that were the essence of our growth and development. With an eye to the future we see the rising of a new addition for the students who will follow us, which we hope will serve as an incentive to bring forth the most from their high school education. The memorable, sometimes even traditional, events which are a part of each year will remain as bright recollections and perhaps spur us onward.

*Are you

"Special"  
Gal  
we're  
looking  
for?*

We hope so. Because we have interesting jobs for "special" gals here at the telephone company.

If you're alert and like people, you'll like it here. The surroundings are pleasant, the pay is good right from the start—and you'll have lots of opportunity for advancement and raises.

There's a "special" extra, too. You'll have that wonderful feeling of making an important contribution to your community. Come talk to us about telephone work. We'd love to meet you!
